

OFFSHORE RENEWABLES JOINT INDUSTRY PROGRAMME (ORJIP)

Modelling of kittiwake metapopulation dynamics (MetaKitti) – Clarification question responses

14 February 2024

#	Question	Response
1	Section 6 of the ITT has “Total Budget for the delivery of this Project is expected to be a maximum of £150,000. ” Can you confirm that this value is exclusive of VAT?	Yes, this value is exclusive of VAT.
2	<p>The project includes the generation of an academic paper as a means of disseminating the work to the scientific community. Can we take it that the Carbon Trust would thus be agreeable to the Supplier:</p> <ul style="list-style-type: none"> a) Making use of the Foreground Intellectual Property (in this project the computer model and any supporting documentation and data) for its own academic purposes (for research/teaching and also ability to publish the Deliverables elsewhere) b) Submitting the project for the UK Research Excellence Framework c) Retaining Moral Rights in the Deliverables 	<ul style="list-style-type: none"> a) Any use and dissemination of the Foreground Intellectual Property would require approval from the Carbon Trust, and if approved, should contain an acknowledgement that the Work was carried out under contract with the Carbon Trust for the ORJIP OSW programme. b) Whilst we are in principle accommodating to this request, this submission will require approval from the Carbon Trust and ORJIP OSW Steering Group, with a decision to be taken at the appropriate time. c) We agree in principle with this, and any specific stipulations should be mentioned in the Tender certificate upon bid submission.
