Clarification Question Responses

Commercial Scale Mooring Integrity Management (CMIM)

24th March 2023

#	Type	Question	Response
1	Project specific	<p>WP1: Offshore mooring integrity management review</p> <p>For WP1, reference is made to other projects, namely, S2P2 Monitoring and inspection project and the S2P5 Mooring systems redundancy reliability and integrity (MRR&I) project. Can you provide some guidance as to what stage these projects will be at by the start of this project and if not already completed when the expected completion date of these project is. This will help us understand how well developed any data coming from those projects is likely to be.</p>	<p>The S2P2 Monitoring and Inspection project was completed a few years ago. The public project summary is available in the Stage II summary report here. The S2P5 MRR&I project is currently in progress and should be near completion at the time of the CMIM project start - with results to share.</p>
